

# MEMORANDUM OF UNDERSTANDING

BETWEEN

MEENAKSHI SUNDARARAJAN  
ENGINEERING COLLEGE  
CHENNAI

AND

DEV SYSTEMS & IT SERVICES PVT  
LTD

23.11.2022

This memorandum of understanding (MOU) is made and entered on 23 NOV'22 by and between DEV SYSTEMS & IT SERVICES PVT LTD , DEV TOWERS #74/82 3<sup>RD</sup> floor,4<sup>th</sup> Avenue, Ashok Nagar, Chennai-83 (DEV SYSTEMS) of one part and Meenakshi Sundararajan Engineering College, 363, Arcot Road, Kodambakkam, Chennai – 600 024 (MSEC) (affiliated to Anna University)of the other part

Both DEV SYSTEMS and MSEC are referred to as the Party individually  
And as Parties together under this MOU.

Whereas the DEV SYSTEM is engaged in the business of IT hardware sales and service

Whereas the MSEC is engaged in academic teaching and providing formal education to students leading to a nationally and internationally recognized under-graduate program and graduate program in various engineering services in addition to shaping them to become effective citizen and a holistic human.

Now therefore, for the purpose of working with MSEC to engage students and impart corporate learning and on the terms and subject to the conditions set forth in this MOU and intending to be legally bound, the parties agree as follows:

**Objectives:**

The parties to this Memorandum have the following objectives:

1. To assure right delivery of the quality service at the appropriate time by the competent resource persons to the stakeholders;
2. To assure the application of services in a systematic method to have fruitful assessment of the stakeholders;
3. To provide and to coordinate effective and efficient services to their stakeholders.

**Services:**

The DEV SYSTEMS agrees to provide few or all of the following services:

**College centric:**

1. Transfer of technology
2. Sponsoring official as member in the academic development committee of the Institution.
3. Curriculum review to plan for implementation of suitable programs to meet future challenges
4. Creating research and training cells to enhance the image and widen the sphere of technical knowledge
5. To provide support for the development of infrastructure

**Faculty centric:**

1. Training for teaching faculty and other technical support staff
2. To offer support to other activities related to academics whenever needed/necessary to the staff at the premises of MSEC and also in the premises of DEV SYTEMS
3. Permission for industrial visits to faculty to learn specific manufacturing process directly from technical personal operating those processes.

**Student centric:**

1. Offering guidance for students' project work
2. Sponsoring resource persons for guest lectures
3. Demonstration of new equipment's / software
4. Sponsorship for projects
5. Permission of Industrial visit
6. Permission for In-plant training for students
7. Sponsoring fund for scholarships/symposium/conference/workshops/seminars
8. Deputation of Resource persons as Judges for students project/presentation
9. Providing placement for students.

**Company centric:**

MSEC agrees to provide the following services:

1. Transfer of knowledge
2. Training to employees in the MSEC premises
3. Training to employees in the premises of Industry DEV SYSTEMS.
4. Students contribute to the DEV SYSTEMS by doing summer projects or mini projects in MSEC premises or in DEV SYSTEMS premises.
5. The DEV SYSTEMS will be displayed in banners or along with logos of MSEC in College technical event, apart from in select location in the MSEC premises at all times.
6. The fact of this MOU with DEV SYSTEMS and the contribution of DEV SYSTEMS to MSEC through this MOU may be mentioned in functions of MSEC.
7. Students to take active part in the Corporate Social Responsibility thro' Campus lions Clubs, Leo Clubs and NSS Cell.

It is effective upon signing and shall remain in effect until termination by either party with 30days written notice.

DEV SYSTEMS and MSEC staff shall meet at regular intervals convenient to both parties either in person or on-line to review implementation of this agreement, to address special problems, to coordinate schedules, for evaluation and assessment, and to establish policy directives.

DEV SYSTEMS and MSEC will maintain documentation of services provided and other statistical and financial information as needed for accountability and analysis purpose. Both parties to this Memorandum agree to develop common reporting instruments wherever possible. In any event they intend to confer on the development of formats of other elements of their respective Systems.

Both parties shall safeguard the use of and access of information to which the services provided or arranging for services shall not use or release any reports, data or other information in accordance with the rules and regulations of DEV SYSTEMS and MSEC.

MOU between MSEC and DEV SYSTEMS

Such information shall be used only to assure proper planning, coordination, monitoring and administration of performance under this agreement, and permit the transfer of records to another, for the purpose of continuing services, with appropriate approval from the authority concerned.

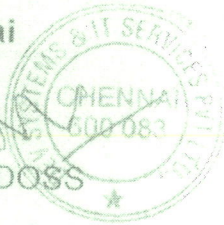

Service audit and program review functions shall be performed jointly when appropriate. Both parties mutually agree not to use the name of the other party in any public information without permission of the concerned party.

Review of this memorandum shall be made on or before 3 months before expiry at which time this agreement may be extended, modified or terminated.

DEV SYSTEMS and MSEC hereby agree to all of the above and enter into a joint agreement until such time that either party shall amend or review the said agreement in writing.

The memorandum of understanding (MOU) is made on this 23 day of NOV 2022, at Ashok Nagar, Chennai

08-10-2022

## MOU between MSEC and Voice Snap

This memorandum of understanding (MOU) is made and entered on 08/10/2022 by and between Voice Snap Services Pvt., Ltd., 2/7, Rajambal St, Parthasarathi Puram, T. Nagar, Chennai, Tamil Nadu 600017 one part and Meenakshi Sundararajan Engineering College, 363, Arcot Road, Kodambakkam, Chennai – 600 024 (MSEC) (affiliated to Anna University) of the other part

Both Voice Snap and MSEC are referred to as the Party individually and as Parties together under this MOU.

Whereas the Voice Snap is engaged in the business of Software Development

Whereas the MSEC is engaged in academic teaching and providing formal education to students leading to a nationally and internationally recognized under-graduate program and graduate program in various engineering services in addition to shaping them to become effective citizen and a holistic human.

NOW THEREFORE, for the purpose of working with MSEC to engage students and impart corporate learning and on the terms and subject to the conditions set forth in this MOU and intending to be legally bound, the parties agree as follows:

### **Objectives:**

The parties to this Memorandum have the following objectives:

1. To assure right delivery of the quality service at the appropriate time by the competent resource persons to the stakeholders;
2. To assure the application of services in a systematic method to have fruitful assessment of the stakeholders;
3. To provide and to coordinate effective and efficient services to their stakeholders.

**Services:**

The Voice Snap agrees to provide few or all of the following services:

**College centric:**

1. Transfer of technology
2. Sponsoring official as member in the academic development committee of the Institution.
3. Curriculum review to plan for implementation of suitable programs to meet future challenges
4. Creating research and training cells to enhance the image and widen the sphere of technical knowledge
5. To provide support for the development of infrastructure

**Faculty centric:**

1. Training for teaching faculty and other technical support staff
2. To offer support to other activities related to academics whenever needed/necessary to the staff at the premises of MSEC and also in the premises of Voice Snap
3. Permission for industrial visits to faculty to learn specific manufacturing process directly from technical personal operating those processes.

**Student centric:**

1. Offering guidance for students' project work
2. Sponsoring resource persons for guest lectures
3. Demonstration of new equipment's / software
4. Sponsorship for projects
6. Permission for industrial visit
7. Permission for in-plant training for students
8. Sponsoring fund for scholarships/symposium/conference/workshops/seminars
9. Deputation of Resource persons as Judges for students project/presentation

## MOU between MSEC and Voice Snap

10. Creation of endowment fund to the tune of Rs.1 lakh in the name of "Company Endowment Fund" and the interest accrued can be used for awarding prize to a student following the norms stipulated by the Industry and Institution.
11. Providing placement for students.

### **Company centric:**

MSEC agrees to provide the following services;

1. Transfer of knowledge
2. Training to employees in the MSEC premises
3. Training to employees in the premises of Industry Voice Snap.
4. Students contribute to the Voice Snap by doing summer projects or mini projects in MSEC premises or in Voice Snap premises.
5. The Voice Snap will be displayed in banners or along with logos of MSEC in College technical event, apart from in select location in the MSEC premises at all times.
6. The fact of this MOU with Voice Snap and the contribution of Voice Snap to MSEC through this MOU may be mentioned in functions of MSEC.
7. Students to take active part in the Corporate Social Responsibility thro' Campus lions Clubs, Leo Clubs and NSS Cell.

It is effective upon signing and shall remain in effect until termination by either party with 30days written notice.

Voice Snap and MSEC staff shall meet at regular intervals convenient to both parties either in person or on-line to review implementation of this agreement, to address special problems, to coordinate schedules, for evaluation and assessment, and to establish policy directives.

Voice Snap and MSEC will maintain documentation of services provided and other statistical and financial information as needed for accountability and analysis purpose. Both parties to this Memorandum agree to develop common reporting instruments wherever possible. In any event they intend to confer on the development of formats of other elements of their respective Systems.

MOU between MSEC and Voice Snap

Both parties shall safeguard the use of and access of information to which the services provided or arranging for services shall not use or release any reports, data or other information in accordance with the rules and regulations of Voice Snap and MSEC. Such information shall be used only to assure proper planning, coordination, monitoring and administration of performance under this agreement, and permit the transfer of records to another, for the purpose of continuing services, with appropriate approval from the authority concerned.

Service audit and program review functions shall be performed jointly when appropriate. Both parties mutually agree not to use the name of the other party in any public information without permission of the concerned party.

Review of this memorandum shall be made on or before 3 months before expiry at which time this agreement may be extended, modified or terminated.

Voice Snap and MSEC hereby agree to all of the above and enter into a joint agreement until such time that either party shall amend or review the said agreement in writing.

The memorandum of understanding (MOU) is made on this 08 day of Oct 2022, at Chennai.

**EMCOG SOLUTIONS**

12/10/2022

## MOU between MSEC and EmCog Solutions

This memorandum of understanding (MOU) is made and entered on 12/10/2022 by and between EmCog Solutions, an ISO 9001:2015 certified, MSME Registered located at No.528, SSR Building 1<sup>st</sup> Floor, PH Road, Arumbakkam, Chennai -600106. (EmCog) of one part and Meenakshi Sundararajan Engineering College, 363, Arcot Road, Kodambakkam, Chennai – 600 024 (MSEC) (affiliated to Anna University) of the other part

Both EmCog and MSEC are referred to as the Party individually and as Parties together under this MOU.

Whereas the EmCog is engaged in the business of Developing IoT, Embedded and Electric Vehicle Research Laboratory Products and B to C Solutions. Besides, offering Product Development Skill set training and Internships in the field of IoT, Embedded, Electric Vehicle, PCB Design, Solar and Power Electronics.

Whereas the MSEC is engaged in academic teaching and providing formal education to students leading to a nationally and internationally recognized under-graduate program and graduate program in various engineering services in addition to shaping them to become effective citizen and a holistic human.

Now therefore, for the purpose of working with MSEC to engage students and impart corporate learning and on the terms and subject to the conditions set forth in this MOU and intending to be legally bound, the parties agree as follows:

### **Objectives:**

The parties to this Memorandum have the following objectives:

1. To assure right delivery of the quality service at the appropriate time by the competent resource persons to the stakeholders;
2. To assure the application of services in a systematic method to have fruitful assessment of the stakeholders;
3. To provide and to coordinate effective and efficient services to their stakeholders.

**Services:**

The EmCog agrees to provide few or all of the following services:

**College centric:**

1. Transfer of technology
2. Sponsoring official as member in the academic development committee of the Institution.
3. Curriculum review to plan for implementation of suitable programs to meet future challenges
4. Creating research and training cells to enhance the image and widen the sphere of technical knowledge
5. To provide support for the development of infrastructure

**Faculty centric:**

1. Training for teaching faculty and other technical support staff
2. To offer support to other activities related to academics whenever needed/necessary to the staff at the premises of MSEC and also in the premises of EmCog
3. Permission for industrial visits to faculty to learn specific manufacturing process directly from technical personal operating those processes.

**Student centric:**

1. Offering guidance for students' project work
2. Sponsoring resource persons for guest lectures
3. Demonstration of new equipment's / software
4. Sponsorship for projects
5. Permission for industrial visit
6. Permission for in-plant training for students
7. Sponsoring fund for scholarships/symposium/conference/workshops/seminars
8. Deputation of Resource persons as Judges for students project/presentation
9. Providing placement for students.

## MOU between MSEC and EmCog Solutions

### Company centric:

MSEC agrees to provide the following services;

1. Transfer of knowledge
2. Training to employees in the MSEC premises
3. Training to employees in the premises of Industry EmCog.
4. Students contribute to the EmCog by doing summer projects or mini projects in MSEC premises or in EmCog premises.
5. The EmCog will be displayed in banners or along with logos of MSEC in College technical event, apart from in select location in the MSEC premises at all times.
6. The fact of this MOU with EmCog and the contribution of EmCog to MSEC through this MOU may be mentioned in functions of MSEC.
7. Students to take active part in the Corporate Social Responsibility thro' Campus lions Clubs, Leo Clubs and NSS Cell.

It is effective upon signing and shall remain in effect until termination by either party with 30 days written notice.

EmCog Solutions and MSEC staff shall meet at regular intervals convenient to both parties either in person or on-line to review implementation of this agreement, to address special problems, to coordinate schedules, for evaluation and assessment, and to establish policy directives.

EmCog Solutions and MSEC will maintain documentation of services provided and other statistical and financial information as needed for accountability and analysis purpose.

Both parties to this Memorandum agree to develop common reporting instruments wherever possible. In any event they intend to confer on the development of formats of other elements of their respective Systems.

Both parties shall safeguard the use of and access of information to which the services provided or arranging for services shall not use or release any reports, data or other information in accordance with the rules and regulations of EmCog Solutions and MSEC. Such information shall be used only to assure proper planning, coordination, monitoring

**WAV Energy Solutions**

**COIMBATORE**

02.03.2022

## MOU between MSEC and WAV Energy Solutions

This memorandum of understanding (MOU) is made and entered on 02.03.2022 by and between WAV Energy Solutions, #314, Block 1, 1334, Jain Cambrae East, Avinashi Road, Peelamedu, Coimbatore, Tamil Nadu – 641 004. (WAV) of one part and Meenakshi Sundararajan Engineering College, 363, Arcot Road, Kodambakkam, Chennai – 600 024 (MSEC) (affiliated to Anna University) of the other part

Both WAV and MSEC are referred to as the Party individually and as Parties together under this MOU.

Whereas the WAV is engaged in offering solutions for efficient energy usage and effective reduction of energy cost and carbon footprint through on-site and off-site solar power projects for businesses, organizations and individuals.

Whereas the MSEC is engaged in academic teaching and providing formal education to students leading to a nationally and internationally recognized under-graduate program and graduate program in various engineering services in addition to shaping them to become effective citizen and a holistic human.

NOW THEREFORE, for the purpose of working with MSEC to engage students and impart corporate learning and on the terms and subject to the conditions set forth in this MOU and intending to be legally bound, the parties agree as follows:

### **Objectives:**

The parties to this Memorandum have the following objectives:

1. To assure right delivery of the quality service at the appropriate time by the competent resource persons to the stakeholders;
2. To assure the application of services in a systematic method to have fruitful assessment of the stakeholders;
3. To provide and to coordinate effective and efficient services to their stakeholders.

## MOU between MSEC and WAV Energy Solutions

### **Services:**

The WAV agrees to provide few or all of the following services:

### **College centric:**

1. Transfer of technology
2. Sponsoring official as member in the academic development committee of the Institution.
3. Curriculum review to plan for implementation of suitable programs to meet future challenges
4. Creating research and training cells to enhance the image and widen the sphere of technical knowledge
5. To provide support for the development of infrastructure

### **Faculty centric:**

1. Training for teaching faculty and other technical support staff
2. To offer support to other activities related to academics whenever needed/necessary to the staff at the premises of MSEC and also in the premises of WAV.
3. Permission for industrial visits to faculty to learn specific manufacturing process directly from technical personal operating those processes.

### **Student centric:**

1. Offering guidance for students project work
2. Sponsoring resource persons for guest lectures
3. Demonstration of new equipment / software
4. Sponsorship for projects
6. Permission for industrial visit
7. Permission for in-plant training for students
8. Sponsoring fund for scholarships/symposium/conference/workshops/seminars
9. Deputation of Resource persons as Judges for students project/presentation
10. Providing placement for students.

## MOU between MSEC and WAV Energy Solutions

### **Company centric:**

MSEC agrees to provide the following services;

1. Transfer of knowledge
2. Training to employees in the MSEC premises
3. Training to employees in the premises of WAV.
4. Students contribute to the WAV by doing summer projects or mini projects in MSEC premises or in WAV premises.
5. The WAV will be displayed in banners or along with logos of MSEC in College technical event, apart from in select location in the MSEC premises at all times.
6. The fact of this MOU with WAV and the contribution of WAV to MSEC through this MOU may be mentioned in functions of MSEC.
7. Students to take active part in the Corporate Social Responsibility through Campus lions Clubs, Leo Clubs and NSS Cell.

It is effective upon signing and shall remain in effect until termination by either party with 30 days written notice.

WAV and MSEC staff shall meet at regular intervals convenient to both parties either in person or on-line to review implementation of this agreement, to address special problems, to coordinate schedules, for evaluation and assessment, and to establish policy directives.

WAV and MSEC will maintain documentation of services provided and other statistical and financial information as needed for accountability and analysis purpose. Both parties to this Memorandum agree to develop common reporting instruments wherever possible. In any event they intend to confer on the development of formats of other elements of their respective Systems.

Both parties shall safeguard the use of and access of information to which the services provided or arranging for services shall not use or release any reports, data or other information in accordance with the rules and regulations of WAV and MSEC.

**MOU between MSEC and WAV Energy Solutions**

Such information shall be used only to assure proper planning, coordination, monitoring and administration of performance under this agreement, and permit the transfer of records to another, for the purpose of continuing services, with appropriate approval from the authority concerned.

Service audit and program review functions shall be performed jointly when appropriate. Both parties mutually agree not to use the name of the other party in any public information without permission of the concerned party.

Review of this memorandum shall be made on or before 3 months before expiry at which time this agreement may be extended, modified or terminated.

WAV and MSEC hereby agree to all of the above and enter into a joint agreement until such time that either party shall amend or review the said agreement in writing.

## MOU between MSEC and Vingsfire HRIM Pvt Ltd

This memorandum of understanding (MOU) is made and entered on 10.10.2022 by and between Vingsfire HRIM Pvt.Ltd, No:21/7, West Cavarai street, West Mambalam, Chennai-600033 (Vingsfire) of one part and Meenakshi Sundararajan Engineering College, 363, Arcot Road, Kodambakkam, Chennai – 600 024 (MSEC) (affiliated to Anna University) of the other part

Both Vingsfire and MSEC are referred to as the Party individually and as Parties together under this MOU.

Whereas the Vingsfire is engaged in the business of web and Mobile Application development

Whereas the MSEC is engaged in academic teaching and providing formal education to students leading to a nationally and internationally recognized under-graduate program and graduate program in various engineering services in addition to shaping them to become effective citizen and a holistic human.

NOW THEREFORE, for the purpose of working with MSEC to engage students and impart corporate learning and on the terms and subject to the conditions set forth in this MOU and intending to be legally bound, the parties agree as follows:

### **Objectives:**

The parties to this Memorandum have the following objectives:

1. To assure right delivery of the quality service at the appropriate time by the competent resource persons to the stakeholders;
2. To assure the application of services in a systematic method to have fruitful assessment of the stakeholders;
3. To provide and to coordinate effective and efficient services to their stakeholders.

**Services:**

The Vingsfire agrees to provide few or all of the following services:

**College centric:**

1. Transfer of technology
2. Sponsoring official as member in the academic development committee of the Institution.
3. Curriculum review to plan for implementation of suitable programs to meet future challenges
4. Creating research and training cells to enhance the image and widen the sphere of technical knowledge
5. To provide support for the development of infrastructure

**Faculty centric:**

1. Training for teaching faculty and other technical support staff
2. To offer support to other activities related to academics whenever needed/necessary to the staff at the premises of MSEC and also in the premises of Vingsfire HRIM Pvt Ltd
3. Permission for industrial visits to faculty to learn specific manufacturing process directly from technical personal operating those processes.

**Student centric:**

1. Offering guidance for students' project work
2. Sponsoring resource persons for guest lectures
3. Demonstration of new equipment's / software
4. Sponsorship for projects
5. Permission for industrial visit
6. Permission for in-plant training for students
7. Sponsoring fund for scholarships/symposium/conference/workshops/seminars
8. Deputation of Resource persons as Judges for students project/presentation
9. Providing placement for students.

## MOU between MSEC and Vingsfire HRIM Pvt Ltd

### Company centric:

MSEC agrees to provide the following services;

1. Transfer of knowledge
2. Training to employees in the MSEC premises
3. Training to employees in the premises of Industry Vingsfire.
4. Students contribute to the Vingsfire by doing summer projects or mini projects in MSEC premises or in Vingsfire premises.
5. The Vingsfire will be displayed in banners or along with logos of MSEC in College technical event, apart from in select location in the MSEC premises at all times.
6. The fact of this MOU with Vingsfire and the contribution of Vingsfire to MSEC through this MOU may be mentioned in functions of MSEC.
7. Students to take active part in the Corporate Social Responsibility thro' Campus lions Clubs, Leo Clubs and NSS Cell.

It is effective upon signing and shall remain in effect until termination by either party with 30 days written notice.

Vingsfire and MSEC staff shall meet at regular intervals convenient to both parties either in person or on-line to review implementation of this agreement, to address special problems, to coordinate schedules, for evaluation and assessment, and to establish policy directives.

Vingsfire and MSEC will maintain documentation of services provided and other statistical and financial information as needed for accountability and analysis purpose.

Both parties to this Memorandum agree to develop common reporting instruments wherever possible. In any event they intend to confer on the development of formats of other elements of their respective Systems.

Both parties shall safeguard the use of and access of information to which the services provided or arranging for services shall not use or release any reports, data or other information in accordance with the rules and regulations of Vingsfire and MSEC. Such

MOU between MSEC and Vingsfire HRIM Pvt Ltd

information shall be used only to assure proper planning, coordination, monitoring and administration of performance under this agreement, and permit the transfer of records to another, for the purpose of continuing services, with appropriate approval from the authority concerned.

Service audit and program review functions shall be performed jointly when appropriate. Both parties mutually agree not to use the name of the other party in any public information without permission of the concerned party.

Review of this memorandum shall be made on or before 3 months before expiry at which time this agreement may be extended, modified or terminated.

Vingsfire and MSEC hereby agree to all of the above and enter into a joint agreement until such time that either party shall amend or review the said agreement in writing.

**MEMORANDUM OF UNDERSTANDING  
[ CENTRE OF EXCELLENCE ]**

**BETWEEN**

**TEST AND VERIFICATION SOLUTIONS  
INDIA PVT LTD**

**[A SUBSIDIARY OF TESSOLVE  
SEMICONDUCTOR PVT LTD]**

**&**

**MEENAKSHI SUNDARARAJAN  
ENGINEERING COLLEGE, CHENNAI**

This Memorandum of understanding (herein after called as MoU) is entered into by and between Meenakshi Sundararajan Engineering College (herein after called as MSEC) a foremost multi professional research-led academic Institution providing value based education, research and consultancy in Engineering and Management and to bring out technically competent, ethically strong and quality professionals located at 363, Arcot Road, Kodambakkam, Chennai, Tamil Nadu 600024 and M/s. Test and Verification Solutions India Pvt Ltd [ A Subsidiary of TESSOLVE SEMICONDUCTOR PVT. LTD ] (herein after called as T&VS), the leader in IC Design, Verification and Validation, Test Engineering, Embedded Systems, Application Software and Security, and Device Level having its principal place of business at No. 21 C, 1st Floor, 5th Cross Street, South Phase, Guindy Industrial Estate, Guindy, Indira Nagar, Chennai, Tamil Nadu 600032

MSEC and T&VS shall be referred to collectively as "Parties" and individually as a "Party"

### 1. AREAS OF COLLABORATION

The parties agree to collaborate in the following areas/ items:

- ① The objective of this MoU is to provide a platform to build a strong relationship between T&VS and MSEC for exploring the technology development in VLSI design, Embedded IOT, Wireless, AI & ML and to improve capabilities of common interest and engage in research projects.
- ② The common goals of the MoU are:
  - ☞ To develop and foster strategic linkages such as National / International Conferences, Industry Seminars & Workshops, Guest Lectures, joint research proposal, collaborative projects and consultancy between MSEC and T&VS.
  - ☞ To offer Continuing Education courses – Credit based to students, technicians and faculty
  - ☞ T&VS will be a Technical Advisor in the academic activities of MSEC
  - ☞ To help to bridge the gap between academia and industry.
  - ☞ To provide Internship for the students of MSEC.
  - ☞ To offer Mini Project and Main Project Guidance to students.

### 2. NATURE OF MEMORANDUM

Through this MoU, T&VS and MSEC University intend to develop a special relationship, whereby the Parties shall enable effective knowledge sharing to the extent possible from time to time, exchange technical skills, bridge the platform between industry and institution, and to enhance students and faculty to fill their skill gaps and to create a conducive atmosphere for the betterment of the society.

### 3. TERMS AGREED

#### 3.1 CONTINUING EDUCATION Programs

T&VS will facilitate and arrange Technical Hands-on Training Programs to students periodically [VLSI, Embedded IOT, wireless, AI & ML] to get them motivated to become successful professionals and vice versa; MSEC will provide expertise and its facilities like utilization of MSEC library, Lab & materials for higher studies to T&VS. It is agreed to have periodical presentation of papers from the learned faculty members of the Institution and T&VS, on mutual consent.

#### 3.2 PROJECT WORK

T&VS may offer Project Guidance to MSEC students for project works aimed at building confidence to get prepared for smooth transition from academic to a professional working environment and help the students to do their mini & main projects as part of their academic requirements.

#### 3.3 RESEARCH & DEVELOPMENT

T&VS may allow students and faculty members of the MSEC for COE - Research and Development work related in their fields wherever appropriate and feasible.

#### 3.4 PLACEMENTS

As and when deemed necessary, T&VS may absorb the eligible students of the MSEC for their manpower requirement strictly as per T&VS conditions and placement process.

#### 3.5 INTERNSHIPS

T&VS may allow students to undergo internships based on the availability for the eligible shortlisted students of MSEC.

#### 3.6 MONITORING

A steering committee will subsequently be formed to decide policy direction for working together. The steering committee shall meet at least once in year to review the progress in the terms contained in this MoU. Two of the members of the steering committee, one each from the MSEC and T&VS will function as its Secretaries for the purpose of communication and coordination.

### 4. Confidentiality

Both the Parties acknowledge the confidentiality of the information, which may be transferred between the Parties from time to time as being essential to this MoU and agreed not to disclose the same to any third party. Each Party agrees to hold proprietary and Confidential Information of the other Party in confidence and to protect it against disclosure to the public and third parties and shall take all reasonable precautions to prevent any unauthorized disclosure of Confidential Information to the public and third parties. MSEC agreed for not allowing any competitors of T&VS and also will not share any information's to others. MSEC agrees that it shall not reverse engineer the T&VS's products, or otherwise attempt to decompile or attempt to learn the source code or designs embedded within such products provided to it under this MOU. Each

Party shall immediately give notice to the other Party of any unauthorized use or disclosure of the Confidential Information.

Each Party agrees to assist the other Party in remedying any such unauthorized use or disclosure of the Confidential Information.

For the purposes of this MOU, "Confidential Information" shall mean all proprietary information of the Disclosing Party including but not limited to commercial, technical and artistic information relating to the its establishment, business, operation, maintenance and promoting of its own services, programming techniques, experimental work, customers, clients and vendors of the Disclosing Party, financial information, marketing plans, business plans, project plans, information relating to, operating income, organization, customer lists, price calculation models, software, technology, methods, documentation, designs and materials and source code and general trade secrets and Intellectual Property of the Disclosing Party, as well as any other information labeled "Confidential" by the Disclosing Party or accessible to or provided to Recipient, whether protected under law or not. The Confidential Information and obligations thereto shall apply irrespective of the form in or the media on which such information is displayed or contained. The Disclosing Party shall have no obligation to specifically identify any information to which the protection of this Agreement extends by any notice or other action, and the Recipient agrees that all such information relating to the business, affairs or employees of the Disclosing Party, shall be deemed Confidential Information, except to the extent that any such information (a) is known or becomes known to the general public other than as a result of unauthorized disclosure by the Recipient (b) is received by the Recipient on a non-confidential basis from a third party lawfully possessing and entitled to disclose such information; or (c) is independently developed by the Recipient without use of the Confidential Information (d) it was already in the lawful possession of the Recipient and at its free disposal without any obligation of confidence before the Disclosing Party's first disclosure of it to the Recipient. "Disclosing Party" shall mean the Party disclosing any Confidential Information and the Party receiving such information shall be referred to as the "Recipient"

The Partner acknowledges that a breach by the Partner of this Clause may cause the disclosing Party irreparable damage, for which the award of damages would not be adequate compensation. Consequently, the disclosing Party may institute an action to enjoin the other Party from any and all acts in violation of those provisions, which remedy shall be cumulative and not exclusive, and the disclosing Party may seek the entry of an injunction enjoining any breach or threatened breach of those provisions, in addition to any other relief to which the disclosing Party may be entitled to at law or in equity.

The Parties agree not to communicate any information in violation of the proprietary rights of any third party.

Upon termination of this MOU or on request of the Disclosing Party, the Recipient shall (i) return all Confidential Information in its possession to the Disclosing Party or (ii) destroy such Confidential Information on the receipt of the request of the Disclosing Party and provide a document certifying such destruction.

This Clause shall survive termination or expiry.

## 6. Validity and Termination

This MoU takes effect from [ 25-06-2022] and is valid for a period of three years from the date of signing with option for automatic renewal. Thereafter either party may terminate the MoU by giving to the other party 90 days' notice in writing. In addition, either party may terminate this agreement forthwith if the other party has committed a material breach and failed to remedy the same despite 14 days' written notice, but without prejudice to antecedent breaches.

This joint arrangement is aimed at providing facilities and service on mutually beneficial basis, focused towards increasing the employability of the Students and makes them suitable to serve India Electronics and *Semiconductor Association* (IESA). While these common facilities of T&VS is intended for Common Use of Members and others, wherever applicable, any cost will have to be borne by the benefiting students or others.

MSEC is to ensure that the students are such people aimed to get benefited and MSEC has to give priority to T&VS in the routine outbound learning and training related activities.

## 7 Representations and Warranties

Each Party represents and warrants to the other that it has full power and authority to enter into this MOU and to take any action and execute any documents required by the terms hereof, and that this MOU has been duly authorized by all necessary corporate proceedings, has been duly and validly executed and delivered by the Party, and is a legal, valid and binding obligation of the Party, enforceable in accordance with the terms hereof; and that the executants of this MOU on behalf of the Party has been duly empowered and authorized to execute this MOU and to perform all its obligations in accordance with the terms herein set out.

## 8 Indemnity

Each Party ("Defaulting Party") agrees to indemnify and save harmless the other Party ("Indemnified Party") its successors, assigns, Affiliates, officers, directors, agents and Representatives against all liabilities, claims including third party claims, losses, damages and expenses arising as a result of breach of any obligations under this Agreement.

In no event shall either Party be liable to the other for any indirect, consequential, incidental, speculative or special damages arising from any claim or action hereunder, based on contract, tort or other legal theory, and whether advised of the possibility of such damages.

## 9 Governing Law and Jurisdiction

This MOU shall be governed by and construed in accordance with the laws of India excluding its conflict of law's provisions.

In the event of any dispute between T&VS and MSEC arising out of or in relation to the MOU, including without limitation, regarding the existence, validity, application or interpretation thereof (collectively, the "Dispute"), the aggrieved Party shall promptly notify the other Party of such Dispute. If the Parties fail to resolve the Dispute within ten (10) days from the date of such notice, each Party shall, within five (5) days thereafter, escalate such Dispute to a member of its senior management team. In the event the Parties are unable to resolve their Dispute within a period of fifteen (15) days from the date the Dispute is escalated to the senior management, either Party may refer the Dispute for final resolution to the courts at Bengaluru, India which shall have the exclusive jurisdiction to resolve Disputes that arise under these Terms and/or any MOU.

## 10 Miscellaneous

Entire Agreement: This MOU, constitutes the entire agreement between the Parties with respect to the subject matter hereof and there shall be no terms, obligations, covenants, representations, warranties, statements, or conditions other than those contained herein.

10.1 Severability: If any provision of this MOU was held by an arbitration tribunal or court of competent jurisdiction to be invalid or unenforceable, the invalidity or unenforceability of such a provision shall not affect the other provisions of this MOU and all provisions not affected by such invalidity shall remain in full force and effect. The Parties agree in good faith on new provisions to replace the invalidated provisions, as close as possible to the Parties original intent.

10.2 Modification: Any modification to this MOU shall be mutually made in writing by way of an amendment signed by both the Parties.

10.3 Assignment: Neither Party may transfer or assign any right or obligation arising under this MOU to a third party with prior consent of the other Party.

10.4 Waiver: No term or provision hereof will be considered waived by either Party, and no breach excused by either Party, unless such waiver or consent is in writing signed on behalf of the Party against whom the waiver is asserted. No consent by either Party to, or waiver of, a breach by either Party, whether express or implied, will constitute a consent to, waiver of, or excuse of any other, different, or subsequent breach by either Party.

10.5 Notice: Notices and other written communications between the Parties to this MOU shall be deemed received (a) when personally delivered by courier/messenger or by successful facsimile transmission, or (b) five (5) days after being sent by registered or certified mail, return receipt requested, postage prepaid, or (c) when actually received if given in any other manner.; or (c) if no delivery failure message has been received by the sender in case of an electronic mail. All such notices and other communications shall be sent to the addresses of

Confidential

MOU with Educational Institutions

the Parties set forth above, or such other (different and additional) places they may designate by like notice from time to time.

10.6 Heading: Titles of Clauses are included for convenience of reference only and shall not affect the interpretation of this MOU.

10.7 Costs and expenses: Each of the Parties hereto shall pay their own costs and expenses (including the fees and costs of any financial or technical advisors, lawyers or accountants engaged by it) relating to the negotiation, preparation and execution of this MOU and all other related documents. Any costs/charges related to the payment of stamp duty w.r.t this MOU shall be borne equally by the Parties.

01.10.2022

This Memorandum of Understanding (MOU) is made and entered on 01.10.2022 by and between SREE TECHNOLOGIES (FRANCHISEE OF PROLIFIC SYSTEMS AND TECHNOLOGIES PVT LTD), 151/34,3<sup>rd</sup> floor, Sri Ranga Complex, Mambalam High Road,T.Nagar,Chennai-600017 (SREE TECHNOLOGIES) of one part and Meenakshi Sundararajan Engineering College, 363, Arcot Road, Kodambakkam, Chennai – 600 024 (MSEC) (Affiliated to Anna University) of the other part.

Both SREE TECHNOLOGIES and MSEC are referred to as the Party individually and as Parties together under this MOU.

Whereas the SREE TECHNOLOGIES provides state-of-the-art industrial automation / Embedded Systems solutions for the manufacturing industry and provides advanced training to working professionals and fresh engineers / ITI / Technicians

Whereas the MSEC is engaged in academic teaching and providing formal education to students leading to a nationally and internationally recognized under-graduate program and graduate program in various engineering services in addition to shaping them to become effective citizen and a holistic human.

NOW THEREFORE, for the purpose of working with MSEC to engage students and impart corporate learning and on the terms and subject to the conditions set forth in this MOU and intending to be legally bound, the parties agree as follows:

**Objectives:**

The parties to this Memorandum have the following objectives:

1. To assure right delivery of the quality service at the appropriate time by the competent resource persons to the stakeholders;
2. To assure the application of services in a systematic method to have fruitful assessment of the stakeholders;
3. To provide and to coordinate effective and efficient services to their stakeholders.

**Services:**

SREE TECHNOLOGIES agrees to provide few or all of the following services:

**College centric:**

1. Transfer of technology
2. Sponsoring official as member in the academic development committee of the Institution.
3. Curriculum review to plan for implementation of suitable programs to meet future challenges
4. Creating research and training cells to enhance the image and widen the sphere of technical knowledge
5. To provide support for the development of infrastructure

**Faculty centric:**

1. Training for teaching faculty and other technical support staff
2. To offer support to other activities related to academics whenever needed/necessary to the staff at the premises of MSEC and also in the premises of SREE TECHNOLOGIES.
3. Permission for industrial visits to faculty to learn specific manufacturing process directly from technical personal operating those processes.

**Student centric:**

1. Offering guidance for student's project work
2. Sponsoring resource persons for guest lectures
3. Demonstration of new equipment / software
4. Sponsorship for projects
5. Permission for industrial visit
6. Permission for in-plant training for students
7. Sponsoring fund for scholarships / symposium / conference / workshops / seminars
8. Deputation of Resource persons as Judges for students project / presentation
9. Providing placement for students.

**Company centric:**

MSEC agrees to provide the following services;

1. Transfer of knowledge
2. Training to employees in the MSEC premises
3. Training to employees in the premises of Industry SREE TECHNOLOGIES
4. Students contribute to SREE TECHNOLOGIES by doing summer projects or mini projects in MSEC premises or in SREE TECHNOLOGIES premises.
5. SREE TECHNOLOGIES will be displayed in banners or along with logos of MSEC in College technical event, apart from in select location in the MSEC premises at all times.
6. The fact of this MOU with SREE TECHNOLOGIES and the contribution of SREE TECHNOLOGIES to MSEC through this MOU may be mentioned in functions of MSEC.
7. Students to take active part in the Corporate Social Responsibility through Campus Lions Clubs, Leo Clubs and NSS Cell.

It is effective upon signing and shall remain in effect until termination by either party with 30 days written notice.

SREE TECHNOLOGIES and MSEC staff shall meet at regular intervals convenient to both parties either in person or on-line to review implementation of this agreement, to address special problems, to coordinate schedules, for evaluation and assessment, and to establish policy directives.

SREE TECHNOLOGIES and MSEC will maintain documentation of services provided and other statistical and financial information as needed for accountability and analysis purpose.

Both parties to this Memorandum agree to develop common reporting instruments wherever possible. In any event they intend to confer on the development of formats of other elements of their respective Systems.

Both parties shall safeguard the use of and access of information to which the services provided or arranging for services shall not use or release any reports, data or other information in accordance with the rules and regulations of SREE TECHNOLOGIES and MSEC. Such information shall be used only to assure proper planning, co-ordination, monitoring and administration of performance under this agreement, and permit the transfer of records to another, for the purpose of continuing services, with appropriate approval from the authority concerned.

Service audit and program review functions shall be performed jointly when appropriate. Both parties mutually agree not to use the name of the other party in any public information without permission of the concerned party.

Review of this memorandum shall be made on or before 3 months before expiry at which time this agreement may be extended, modified or terminated.

SREE TECHNOLOGIES and MSEC hereby agree to all of the above and enter into a joint agreement until such time that either party shall amend or review the said agreement in writing.

The memorandum of understanding (MOU) is made on this 01<sup>st</sup> day of October 2022, at Meenakshi Sundararajan Engineering College.

**MOU between MSEC and KritiLabs Technologies Private Limited**

This memorandum of understanding (MOU) is made and entered on 06<sup>th</sup> May 2022 by and between KritiLabs Technologies Private Limited, 24A, SM Consortium Dr.VSI Industrial Estate, Phase II, Thiruvanmiyur, Chennai 600 041, of one part and Meenakshi Sundararajan Engineering College, 363, Arcot Road, Kodambakkam, Chennai – 600 024 (MSEC) (affiliated to Anna University) of the other part.

Both KritiLabs Technologies and MSEC are referred to as the Party individually and as Parties together under this MOU.

Whereas KritiLabs Technologies is engaged in the business of Providing Advanced Locking Solutions, Kriti Labs enables companies to monitor, control and manage their assets remotely and in real time. The solutions help companies to improve the ROI of their assets by leveraging on the power of IOT.

Whereas the MSEC is engaged in academic teaching and providing formal education to students leading to a nationally and internationally recognized under-graduate program and graduate program in various engineering services in addition to shaping them to become effective citizen and a holistic human.

**NOW THEREFORE**, for the purpose of working with MSEC to engage students and impart corporate learning and on the terms and subject to the conditions set forth in this MOU and intending to be legally bound, the parties agree as follows:

**Objectives:**

The parties to this Memorandum have the following objectives:

1. To assure right delivery of the quality service at the appropriate time by the competent resource persons to the stakeholders;
2. To assure the application of services in a systematic method to have fruitful assessment of the stakeholders;
3. To provide and to coordinate effective and efficient services to their stakeholders.

**MOU between MSEC and KritiLabs Technologies Private Limited**

**Services:**

KritiLabs Technologies agrees to provide few or all of the following services:

**College centric:**

1. Transfer of technology
2. Sponsoring official as member in the academic development committee of the Institution.
3. Curriculum review to plan for implementation of suitable programs to meet future challenges
4. Creating research and training cells to enhance the image and widen the sphere of technical knowledge
5. To provide support for the development of infrastructure

**Faculty centric:**

1. Training for teaching faculty and other technical support staff
2. To offer support to other activities related to academics whenever needed/necessary to the staff at the premises of MSEC and also in the premises of KritiLabs Technologies.
3. Permission for industrial visits to faculty to learn specific manufacturing process directly from technical personal operating those processes.

**Student centric:**

1. Offering guidance for students' project work
2. Sponsoring resource persons for guest lectures
3. Demonstration of new equipment's / software
4. Sponsorship for projects
6. Permission for industrial visit
7. Permission for in-plant training for students
8. Sponsoring fund for scholarships/symposium/conference/workshops/seminars

**MOU between MSEC and KritiLabs Technologies Private Limited**

9. Deputation of Resource persons as Judges for students project/presentation
10. Creation of endowment fund to the tune of Rs.1 lakh in the name of "Company Endowment Fund" and the interest accrued can be used for awarding prize to a student following the norms stipulated by the Industry and Institution.
11. Providing placement for students.

**Company centric:**

MSEC agrees to provide the following services;

1. Transfer of knowledge
2. Training to employees in the MSEC premises
3. Training to employees in the premises of Industry KritiLabs Technologies
4. Students contribute to the KritiLabs Technologies by doing summer projects or mini projects in MSEC premises or in KritiLabs Technologies premises.
5. KritiLabs Technologies will be displayed in banners or along with logos of MSEC in College technical event, apart from in select location in the MSEC premises at all times.
6. The fact of this MOU with KritiLabs Technologies and the contribution of KritiLabs Technologies to MSEC through this MOU may be mentioned in functions of MSEC.
7. Students to take active part in the Corporate Social Responsibility thro' Campus lions Clubs, Leo Clubs and NSS Cell.

It is effective upon signing and shall remain in effect until termination by either party with 30days written notice.

KritiLabs Technologies and MSEC staff shall meet at regular intervals convenient to both parties either in person or on-line to review implementation of this agreement, to address special problems, to coordinate schedules, for evaluation and assessment, and to establish policy directives.

KritiLabs Technologies and MSEC will maintain documentation of services provided and other statistical and financial information as needed for accountability and analysis purpose.

MOU between MSEC and KritiLabs Technologies Private Limited

Both parties to this Memorandum agree to develop common reporting instruments wherever possible. In any event they intend to confer on the development of formats of other elements of their respective Systems.

Both parties shall safeguard the use of and access of information to which the services provided or arranging for services shall not use or release any reports, data or other information in accordance with the rules and regulations of KritiLabs Technologies and MSEC. Such information shall be used only to assure proper planning, coordination, monitoring and administration of performance under this agreement, and permit the transfer of records to another, for the purpose of continuing services, with appropriate approval from the authority concerned.

Service audit and program review functions shall be performed jointly when appropriate.

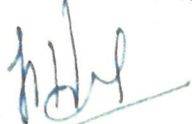

Both parties mutually agree not to use the name of the other party in any public information without permission of the concerned party.

Review of this memorandum shall be made on or before 3 months before expiry at which time this agreement may be extended, modified or terminated.

KritiLabs Technologies and MSEC hereby agree to all of the above and enter into a joint agreement until such time that either party shall amend or review the said agreement in writing.

The memorandum of understanding (MOU) is made on this Friday of 06-May-2022 at Chennai.

MSEC agrees to provide the following services;

1. Transfer of knowledge
2. Training to employees in the MSEC premises
3. Training to employees in the premises of Industry CTRL AI HUB.
4. Students contribute to the CTRL AI HUB by doing summer projects or mini projects in MSEC premises or in CTRL AI HUB premises.
5. The CTRL AI HUB will be displayed in banners or along with logos of MSEC in College technical event, apart from in select location in the MSEC premises at all times.
6. The fact of this MOU with CTRL AI HUB and the contribution of CTRL AI HUB to MSEC through this MOU may be mentioned in functions of MSEC.
7. Students to take active part in the Corporate Social Responsibility through Campus Lions Clubs, Leo Clubs and NSS Cell.

It is effective upon signing and shall remain in effect until termination by either party with 30 days written notice.

CTRL AI HUB and MSEC staff shall meet at regular intervals convenient to both parties either in person or on-line to review implementation of this agreement, to address special problems, to coordinate schedules, for evaluation and assessment, and to establish policy directives.

CTRL AI HUB and MSEC will maintain documentation of services provided and other statistical and financial information as needed for accountability and analysis purpose.

Both parties to this Memorandum agree to develop common reporting instruments wherever possible. In any event they intend to confer on the development of formats of other elements of their respective Systems.

MOU between MSEC and CTRL AI HUB

Both parties shall safeguard the use of and access of information to which the services provided or arranging for services shall not use or release any reports, data or other information in accordance with the rules and regulations of CTRL AI HUB and MSEC. Such information shall be used only to assure proper planning, co-ordination, monitoring and administration of performance under this agreement, and permit the transfer of records to another, for the purpose of continuing services, with appropriate approval from the authority concerned.

Service audit and program review functions shall be performed jointly when appropriate. Both parties mutually agree not to use the name of the other party in any public information without permission of the concerned party.

Review of this memorandum shall be made on or before 3 months before expiry at which time this agreement may be extended, modified or terminated.

CTRL AI HUB and MSEC hereby agree to all of the above and enter into a joint agreement until such time that either party shall amend or review the said agreement in writing.

The memorandum of understanding (MOU) is made on this 25<sup>th</sup> day of March 2022, at Meenakshi Sundararajan Engineering College.
