

MEMORANDUM OF UNDERSTANDING

BETWEEN

**MEENAKSHI SUNDARARAJAN
ENGINEERING COLLEGE
CHENNAI**

AND

RANESH ENGINEERING

Date: - 14.09.2021

This memorandum of understanding (MOU) is made and entered on Date by and between Ranesh Engineering, 3/28 Kamarajar First Cross Street, Srinivasa Nagar, Padi, Chennai 600050 of one part and Meenakshi Sundararajan Engineering College, 363, Arcot Road, Kodambakkam, Chennai – 600 024 (MSEC) (Affiliated to Anna University) of the other part

Both Ranesh Engineering and MSEC are referred to as the Party individually and as Parties together under this MOU.

Whereas the Ranesh Engineering is engaged in the business of machining of all components.

Whereas the MSEC is engaged in academic teaching and providing formal education to students leading to a nationally and internationally recognized under-graduate program and graduate program in various engineering services in addition to shaping them to become effective citizen and a holistic human.

NOW THEREFORE, for the purpose of working with MSEC to engage students and impart corporate learning and on the terms and subject to the conditions set forth in this MOU and intending to be legally bound, the parties agree as follows:

Objectives:

The parties to this Memorandum have the following objectives:

1. To assure right delivery of the quality service at the appropriate time by the competent resource persons to the stakeholders.
2. To assure the application of services in a systematic method to have fruitful assessment of the stakeholders.
3. To provide and to coordinate effective and efficient services to their stakeholders.

Company centric:

MSEC agrees to provide the following services

1. Transfer of knowledge.
2. Training to employees in the MSEC premises.
3. Training to employees in the premises of Industry Ranesh Engineering.
4. Students contribute to the MIM by doing summer projects or mini projects in MSEC premises or in Ranesh Engineering premises.
5. The Ranesh Engineering will be displayed in banners or along with logos of MSEC in College technical event.
6. The fact of this MOU with Ranesh Engineering and the contribution of Ranesh Engineering to MSEC through this MOU may be mentioned in functions of MSEC.
7. Students to take active part in the Corporate Social Responsibility thro' Campus Lions Clubs, Leo Clubs and NSS Cell.

It is effective upon signing and shall remain in effect until termination by either party with 30 days written notice.

Ranesh Engineering and MSEC staff shall meet at regular intervals convenient to both parties either in person or on-line to review implementation of this agreement, to address special problems, to coordinate schedules, for evaluation and assessment, and to establish policy directives.

Ranesh Engineering and MSEC will maintain documentation of services provided and other statistical and financial information as needed for accountability and analysis purpose.

Both parties to this Memorandum agree to develop common reporting instruments wherever possible. In any event they intend to confer on the development of formats of other elements of their respective Systems.

Both parties shall safeguard the use of and access of information to which the services provided or arranging for services shall not use or release any reports, data or other information in accordance with the rules and regulations of Ranesh Engineering and MSEC. Such information shall be used only to assure proper planning, coordination, monitoring and administration of performance under this agreement, and permit the transfer of records to another, for the purpose of continuing services, with appropriate approval from the authority concerned.

Service audit and program review functions shall be performed jointly when appropriate. Both parties mutually agree not to use the name of the other party in any public information without permission of the concerned party.

Review of this memorandum shall be made on or before 3 months before expiry at which time this agreement may be extended, modified or terminated.

Ranesh Engineering and MSEC hereby agree to all of the above and enter into a joint agreement until such time that either party shall amend or review the said agreement in writing.

The memorandum of understanding (MOU) is made on this 14th day of September 2021, at Ranesh Engineering, 3/28 Kamarajar First Cross Street, Srinivasa Nagar, Padi, Chennai 600050, India.

MEMORANDUM OF UNDERSTANDING

BETWEEN

**MEENAKSHI SUNDARARAJAN
ENGINEERING COLLEGE**

CHENNAI

AND

**MUDHRA FINE BLANC
PRIVATE LIMITED**

22-04-2021

MOU between MSEC and Mudhra Fine Blanc Private Limited

This memorandum of understanding (MOU) is made and entered on Date by and between Mudhra Fine Blanc Private Limited, B39-40, SPICOT Industrial Park, Irungattukottai, Chennai 602 105 (MIM) of one part and Meenakshi Sundararajan Engineering College, 363, Arcot Road, Kodambakkam, Chennai – 600 024 (MSEC) (affiliated to Anna University) of the other part

Both MIM and MSEC are referred to as the Party individually and as Parties together under this MOU.

Whereas the MIM is engaged in the business of auto component manufacturing.

Whereas the MSEC is engaged in academic teaching and providing formal education to students leading to a nationally and internationally recognized under-graduate program and graduate program in various engineering services in addition to shaping them to become effective citizen and a holistic human.

NOW THEREFORE, for the purpose of working with MSEC to engage students and impart corporate learning and on the terms and subject to the conditions set forth in this MOU and intending to be legally bound, the parties agree as follows:

Objectives:

The parties to this Memorandum have the following objectives:

1. To assure right delivery of the quality service at the appropriate time by the competent resource persons to the stakeholders;
2. To assure the application of services in a systematic method to have fruitful assessment of the stakeholders;
3. To provide and to coordinate effective and efficient services to their stakeholders.

Services:

The MIM agrees to provide few or all of the following services:

College centric:

1. Transfer of technology
2. Sponsoring official to assist in the academic development of the Institution.
3. Curriculum review to plan for implementation of suitable programs to meet future challenges
4. Creating research and training cells to enhance the image and widen the sphere of technical knowledge
5. To provide support for the development of infrastructure

Faculty centric:

1. Training for teaching faculty and other technical support staff
2. To offer support to other activities related to academics whenever needed/necessary to the staff at the premises of MSEC and also in the premises of Mudhra Fine Blanc Private Limited
3. Permission for industrial visits to faculty to learn specific manufacturing process directly from technical personal operating those processes.

Student centric:

1. Offering guidance for students' project work
2. Sponsoring resource persons for guest lectures
3. Demonstration of new equipment's / software
4. Sponsorship for projects
6. Permission for industrial visit
7. Permission for in-plant training for students
8. Sponsoring fund for scholarships/symposium/conference/workshops/seminars
9. Deputation of Resource persons as Judges for students project/presentation
10. Creation of endowment fund to the tune of Rs.1 lakh in the name of "Company Endowment Fund" and the interest accrued can be used for awarding prize to a student following the norms stipulated by the Industry and Institution.

11. Providing placement for students.

Company centric:

MSEC agrees to provide the following services;

1. Transfer of knowledge
2. Training to employees in the MSEC premises
3. Training to employees in the premises of Industry MIM.
4. Students contribute to the MIM by doing summer projects or mini projects in MSEC premises or in MIM premises.
5. The MIM will be displayed in banners or along with logos of MSEC in College technical event.
6. The fact of this MOU with MIM and the contribution of MIM to MSEC through this MOU may be mentioned in functions of MSEC.
7. Students to take active part in the Corporate Social Responsibility thro' Campus Lions Clubs, Leo Clubs and NSS Cell.

It is effective upon signing and shall remain in effect until termination by either party with 30days written notice.

Mudhra Fine Blanc Private Limited and MSEC staff shall meet at regular intervals convenient to both parties either in person or on-line to review implementation of this agreement, to address special problems, to coordinate schedules, for evaluation and assessment, and to establish policy directives.

Mudhra Fine Blanc Private Limited and MSEC will maintain documentation of services provided and other statistical and financial information as needed for accountability and analysis purpose.

Both parties to this Memorandum agree to develop common reporting instruments wherever possible. In any event they intend to confer on the development of formats of other elements of their respective Systems.

A handwritten signature or set of initials, possibly 'W/S', written in black ink. The signature is somewhat stylized and appears to be written over a horizontal line.

MOU between MSEC and Mudhra Fine Blanc Private Limited

Both parties shall safeguard the use of and access of information to which the services provided or arranging for services shall not use or release any reports, data or other information in accordance with the rules and regulations of Mudhra Fine Blanc Private Limited and MSEC. Such information shall be used only to assure proper planning, coordination, monitoring and administration of performance under this agreement, and permit the transfer of records to another, for the purpose of continuing services, with appropriate approval from the authority concerned.

This memorandum of understanding (MOU) is made and entered on 25-03-2022 by and between Sai Arc India Pvt Ltd, 41, 42 Geason Nagar, Ayanambakkam, Chennai-600095 (Sai Arc) of one part and Meenakshi Sundararajan Engineering College, 363, Arcot Road, Kodambakkam, Chennai – 600 024 (MSEC) (affiliated to Anna University) of the other part

Both Sai Arc and MSEC are referred to as the Party individually and as Parties together under this MOU.

Whereas the Sai Arc is engaged in the business of Sheet Metal stamping and Fabrication

Whereas the MSEC is engaged in academic teaching and providing formal education to students leading to a nationally and internationally recognized under-graduate program and graduate program in various engineering services in addition to shaping them to become effective citizen and a holistic human.

NOW THEREFORE, for the purpose of working with MSEC to engage students and impart corporate learning and on the terms and subject to the conditions set forth in this MOU and intending to be legally bound, the parties agree as follows:

Objectives:

The parties to this Memorandum have the following objectives:

1. To assure right delivery of the quality service at the appropriate time by the competent resource persons to the stakeholders;
2. To assure the application of services in a systematic method to have fruitful assessment of the stakeholders;
3. To provide and to coordinate effective and efficient services to their stakeholders.

Services:

The Sai Arc agrees to provide few or all of the following services:

College centric:

1. Transfer of technology
2. Sponsoring official as member in the academic development committee of the Institution.
3. Curriculum review to plan for implementation of suitable programs to meet future challenges
4. Creating research and training cells to enhance the image and widen the sphere of technical knowledge
5. To provide support for the development of infrastructure

Faculty centric:

1. Training for teaching faculty and other technical support staff
2. To offer support to other activities related to academics whenever needed/necessary to the staff at the premises of MSEC and also in the premises of Sai Arc India Pvt Ltd.
3. Permission for industrial visits to faculty to learn specific manufacturing process directly from technical personal operating those processes.

Student centric:

1. Offering guidance for students' project work
 2. Sponsoring resource persons for guest lectures
 3. Demonstration of new equipment's / software
 4. Sponsorship for projects
 6. Permission for industrial visit
 7. Permission for in-plant training for students
 8. Sponsoring fund for scholarships/symposium/conference/workshops/seminars
- Deputation of Resource persons as Judges for students project/presentation

10. Creation of endowment fund to the tune of Rs.1 lakh in the name of "Company Endowment Fund" and the interest accrued can be used for awarding prize to a student following the norms stipulated by the Industry and Institution.
11. Providing placement for students.

Company centric:

MSEC agrees to provide the following services;

1. Transfer of knowledge
2. Training to employees in the MSEC premises
3. Training to employees in the premises of Industry Sai Arc.
4. Students contribute to the Sai Arc by doing summer projects or mini projects in MSEC premises or in Sai Arc premises.
5. The Sai Arc will be displayed in banners or along with logos of MSEC in College technical event, apart from in select location in the MSEC premises at all times.
6. The fact of this MOU with Sai Arc and the contribution of Sai Arc to MSEC through this MOU may be mentioned in functions of MSEC.
7. Students to take active part in the Corporate Social Responsibility thro' Campus Lions Clubs, Leo Clubs and NSS Cell.

It is effective upon signing and shall remain in effect until termination by either party with 30 days written notice.

Sai Arc India Pvt Ltd and MSEC staff shall meet at regular intervals convenient to both parties either in person or on-line to review implementation of this agreement, to address special problems, to coordinate schedules, for evaluation and assessment, and to establish policy directives.

Sai Arc India Pvt Ltd and MSEC will maintain documentation of services provided and other statistical and financial information as needed for accountability and analysis purpose.

Both parties to this Memorandum agree to develop common reporting instruments wherever possible. In any event they intend to confer on the development of formats of other elements of their respective Systems.

Both parties shall safeguard the use of and access of information to which the services provided or arranging for services shall not use or release any reports, data or other information in accordance with the rules and regulations of Sai Arc India Pvt Ltd and MSEC. Such information shall be used only to assure proper planning, coordination, monitoring and administration of performance under this agreement, and permit the transfer of records to another, for the purpose of continuing services, with appropriate approval from the authority concerned.

Service audit and program review functions shall be performed jointly when appropriate. Both parties mutually agree not to use the name of the other party in any public information without permission of the concerned party.

Review of this memorandum shall be made on or before 3 months before expiry at which time this agreement may be extended, modified or terminated.

Sai Arc India Pvt Ltd and MSEC hereby agree to all of the above and enter into a joint agreement until such time that either party shall amend or review the said agreement in writing.

The memorandum of understanding (MOU) is made on this 25th day of March 2022, at Sai Arc India Pvt Ltd, 41, 42 Geason Nagar, Ayanambakkam, Chennai-600095

**MEMORANDUM OF
UNDERSTANDING**

BETWEEN

**MEENAKSHI SUNDARARAJAN
ENGINEERING COLLEGE
CHENNAI**

AND

**PKM METAL BUILDINGS COMPANY
PRIVATE LIMITED**

15.02.2022

THIS MEMORANDUM OF UNDERSTANDING IS SIGNED BETWEEN:

MEENAKSHI SUNDARAJAN ENGINEERING COLLEGE

The Civil Engineering Department of Meenakshi Sundarajan Engineering College, Chennai is engaged in academic teaching and providing formal education to students leading to a nationally and internationally recognized under-graduate program and graduate program in various engineering services in addition to shaping each of them to become an effective citizen and a holistic human.

AND

PKM METAL BUILDINGS COMPANY PRIVATE LIMITED

PKM Metal Buildings Company Pvt Ltd was incorporated in the year 2005 to cater to the ever increasing demand from the client base created by its Parent Company, P. K. Mohammed & Co., for the manufacture and supply of quality Pre-Engineered Metal Building (PEB) Systems. The company is headed by Abdul Basheer supplies Steel Structures involved in industrial building such as quality Pre-Engineered Metal Building (PEB) System, Steel Structures, Process Towers & Feed Mills, Conveyors, Hoppers, Silos, Chimneys and any kind of conventional Steel Structure used in infrastructure.

PKM Metal Buildings Company Pvt ltd has over 6 acres of sprawling factory premises located at Kancheepuram, off Chennai - Bangalore National Highway with over 70,000 Sq Ft of covered area. The plant is well equipped with all major fabrication PEB machineries like Auto Beam welding line, CNC cutting and sheering, Auto assembler, bend removing, Roofing panel former, quick change C-Z purlin former and all machineri.es for miscellaneous building components, that enables the company to meet the most sophisticated requirements of Steel Fabrication work.

Now therefore, the Meenakshi Sundarajan Engineering College, Chennai and PKM metal buildings company private limited.

Have intended, agreed and consented to the following terms and deeds in pursuance of a common intent to promote and develop the Study.

Make provisions for research and for the advancement and dissemination of Knowledge.

1. FIELD OF COOPERATION:

- a. Both the institution and company shall evolve a mutually acceptable schedule to develop programs, hold seminars and exchange visits.
- b. The said academic interaction and intellectual assimilation may include.
 - i. Faculty/staff development and training.
 - ii. Seminars, research and workshops.
 - iii. Collaborations in the sharing of academic data, scientific information, intellectual property, articles and publications.
 - iv. Placements and execute training.

2. MISCELLANEOUS:

- a. The details for the efficacious implementation of this Memorandum of Understanding shall be jointly worked out on mutually acceptable terms within the parameters of the policies, rules and regulations of both the institutions.
- b. The parties to this memorandum may, by mutual consent, add modify, amend, delete, review or revise any term(s) and condition(s) of this agreement.
- c. The intent and implementation of this memorandum is **SUBJECT** to the policies of the respective states (in case of international agreements) and the laws of the land.
- d. The MOU shall remain in force for a period of 1 year from the date of its signature and seal, and may be terminated by either side by giving six months notice to that effect in writing. However, notwithstanding the notice of the intent to terminate the memorandum, all rights, obligations and corresponding duties and subsisting therein shall be respected and mandated till the finalization and accomplishment thereof.

- e. The parties to this MOU undertake to treat as **CONFIDENTIAL AND PRIVILEGED** information of the other institution, which is so classified in

MOU between MSEC and PKM METAL BUILDINGS COMPANY PRIVATE LIMITED

advance. The terms of confidentiality and mode of disclosure shall be as per mutually acceptable terms,

1. All students and faculty members who visit the plant will follow the company's safety norms and regulations.
2. The transportation and food during the proposed visit will be taken care of by the respective college officials.
3. No damage to our machinery and property by any means by any of respective college personnel during the said visit.
4. All the students and faculty members should wear shoes to enter the plant.

f. This MOU shall require the ratification of the competent academic/executive body of both the institutions.

The memorandum of understanding (MOU) is made on this 15th day of February 2022 at PKM Metal Buildings Company Pvt Ltd, 97th St, Block F, Annanagar East, Chennai, Tamil Nadu 600102

1. Offering guidance for students' project work
2. Sponsoring resource persons for guest lectures
3. Demonstration of new equipment's / software
4. Sponsorship for projects
6. Permission for industrial visit
7. Permission for in-plant training for students
8. Sponsoring fund for scholarships/symposium/conference/workshops/seminars
9. Deputation of Resource persons as Judges for students project/presentation
10. Providing placement for students.

Company centric:

MSEC agrees to provide the following services;

1. Transfer of knowledge
2. Training to employees in the MSEC premises
3. Training to employees in the premises of Industry JEPL.
4. Students contribute to the JEPL by doing summer projects or mini projects in MSEC premises or in JEPL premises.
5. The JEPL will be displayed in banners or along with logos of MSEC in College technical event, apart from in select location in the MSEC premises at all times.
6. The fact of this MOU with JEPL and the contribution of JEPL to MSEC through this MOU may be mentioned in functions of MSEC.

It is effective upon signing and shall remain in effect until termination by either party with 30days written notice.

Jascon Energy Private Limited and MSEC staff shall meet at regular intervals convenient to both parties either in person or on-line to review implementation of this agreement, to address special problems, to coordinate schedules, for evaluation and assessment, and to establish policy directives.

Jascon Energy Private Limited and MSEC will maintain documentation of services provided and other statistical and financial information as needed for accountability and analysis purpose.

Both parties to this Memorandum agree to develop common reporting instruments wherever possible. In any event they intend to confer on the development of formats of other elements of their respective Systems.

Both parties shall safeguard the use of and access of information to which the services provided or arranging for services shall not use or release any reports, data or other

MOU between MSEC and Jascon Energy Private Limited

information in accordance with the rules and regulations of Jascon Energy Private Limited and MSEC. Such information shall be used only to assure proper planning, coordination, monitoring and administration of performance under this agreement, and permit the transfer of records to another, for the purpose of continuing services, with appropriate approval from the authority concerned.

Service audit and program review functions shall be performed jointly when appropriate. Both parties mutually agree not to use the name of the other party in any public information without permission of the concerned party.

Review of this memorandum shall be made on or before 3 months before expiry at which time this agreement may be extended, modified or terminated.

Jascon Energy Private Limited and MSEC hereby agree to all of the above and enter into a joint agreement until such time that either party shall amend or review the said agreement in writing.

The memorandum of understanding (MOU) is made on this 15th day of February 2022, at Jascon Energy Private Limited, 3, Kallanai Rd, Srirangam, Thiruvanaikoil, Tiruchirappalli, Tamil Nadu 620005

MEMORANDUM OF UNDERSTANDING

BETWEEN

**MEENAKSHI SUNDARARAJAN
ENGINEERING COLLEGE**

CHENNAI

AND

[KMK INDUSTRIES]

[15-03-2022]

This memorandum of understanding (MOU) is made and entered on 15-03-2022 by and between KMK INDUSTRIES , 31A/11A,NORTH PHASE, SIDCO INDUSTRIAL ESTATE,CHENNAI-600098 of one part and Meenakshi Sundararajan Engineering College, 363, Arcot Road, Kodambakkam, Chennai – 600 024 (MSEC) (affiliated to Anna University)of the other part

Both KMK and MSEC are referred to as the Party individually and as Parties together under this MOU.

Whereas the KMK is engaged in the business of SHEET METAL STAMPING

Whereas the MSEC is engaged in academic teaching and providing formal education to students leading to a nationally and internationally recognized under-graduate program and graduate program in various engineering services in addition to shaping them to become effective citizen and a holistic human.

NOW THEREFORE, for the purpose of working with MSEC to engage students and impart corporate learning and on the terms and subject to the conditions set forth in this MOU and intending to be legally bound, the parties agree as follows:

Objectives:

The parties to this Memorandum have the following objectives:

1. To assure right delivery of the quality service at the appropriate time by the competent resource persons to the stakeholders;
2. To assure the application of services in a systematic method to have fruitful assessment of the stakeholders;
3. To provide and to coordinate effective and efficient services to their stakeholders.

Services:

The KMK agrees to provide few or all of the following services:

College centric:

1. Transfer of technology
2. Sponsoring official as member in the academic development committee of the Institution.
3. Curriculum review to plan for implementation of suitable programs to meet future challenges
4. Creating research and training cells to enhance the image and widen the sphere of technical knowledge
5. To provide support for the development of infrastructure

Faculty centric:

1. Training for teaching faculty and other technical support staff
2. To offer support to other activities related to academics whenever needed/necessary to the staff at the premises of MSEC and also in the premises of KMK INDUSTRIES
3. Permission for industrial visits to faculty to learn specific manufacturing process directly from technical personal operating those processes.

Student centric:

1. Offering guidance for students' project work
2. Sponsoring resource persons for guest lectures
3. Demonstration of new equipment's / software
4. Sponsorship for projects
6. Permission for industrial visit
7. Permission for in-plant training for students
8. Sponsoring fund for scholarships/symposium/conference/workshops/seminars
9. Deputation of Resource persons as Judges for students project/presentation

10. Creation of endowment fund to the tune of Rs.1 lakh in the name of "Company Endowment Fund" and the interest accrued can be used for awarding prize to a student following the norms stipulated by the Industry and Institution.
11. Providing placement for students.

Company centric:

MSEC agrees to provide the following services;

1. Transfer of knowledge
2. Training to employees in the MSEC premises
3. Training to employees in the premises of Industry KMK .
4. Students contribute to the KMK by doing summer projects or mini projects in MSEC premises or in KMK premises.
5. The KMK will be displayed in banners or along with logos of MSEC in College technical event, apart from in select location in the MSEC premises at all times.
6. The fact of this MOU with KMK and the contribution of KMK to MSEC through this MOU may be mentioned in functions of MSEC.
7. Students to take active part in the Corporate Social Responsibility thro' Campus lions Clubs, Leo Clubs and NSS Cell.

It is effective upon signing and shall remain in effect until termination by either party with 30days written notice.

KMK INDUSTRIES and MSEC staff shall meet at regular intervals convenient to both parties either in person or on-line to review implementation of this agreement, to address special problems, to coordinate schedules, for evaluation and assessment, and to establish policy directives.

KMK INDUSTRIES and MSEC will maintain documentation of services provided and other statistical and financial information as needed for accountability and analysis purpose.

Both parties to this Memorandum agree to develop common reporting instruments wherever possible. In any event they intend to confer on the development of formats of other elements of their respective Systems.

Both parties shall safeguard the use of and access of information to which the services provided or arranging for services shall not use or release any reports, data or other information in accordance with the rules and regulations of KMK INDUSTRIES and MSEC. Such information shall be used only to assure proper planning, coordination, monitoring and administration of performance under this agreement, and permit the transfer of records to another, for the purpose of continuing services, with appropriate approval from the authority concerned.

Service audit and program review functions shall be performed jointly when appropriate. Both parties mutually agree not to use the name of the other party in any public information without permission of the concerned party.

Review of this memorandum shall be made on or before 3 months before expiry at which time this agreement may be extended, modified or terminated.

KMK INDUSTRIES and MSEC hereby agree to all of the above and enter into a joint agreement until such time that either party shall amend or review the said agreement in writing.

The memorandum of understanding (MOU) is made on this 15 day of **MARCH** 2022, at

**Memorandum of Understanding for
Skill Development and Training**

BETWEEN

**Centre of Excellence in Manufacturing
National Institute of Technology
Tiruchirappalli**

AND

**Meenakshi Sundararajan Engineering College,
Accredited by NBA
Kodambakkam, Chennai – 600 024**

[Signature]
CoE Manufacturing, NIT T

[Signature]
MSEC

The Agreement is executed on 30th day of April, 2022 (Effective Date) by and between:

Centre of Excellence in Manufacturing hereinafter called the "CoE Manufacturing or CoE" functioning in National Institute of Technology, Tiruchirappalli, a premier academic Institution of International repute incorporated under National Institute of Technology Act, 2007 having its permanent campus and office at Tanjore main road, National Highway 67, near BHEL, Tiruchirappalli, Tamilnadu 620015 (hereafter referred to as 'NIT Trichy', which expression shall include its successors and assigns) of the first part;

And

Meenakshi Sundararajan Engineering College, Kodambakkam, Chennai. hereinafter called the "MSEC" (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) of the second part;

WHEREAS:

1. The National Institute of Technology (formerly known as Regional Engineering College) Tiruchirappalli, situated in the heart of Tamil Nadu on the banks of river Cauvery, was started as a joint and co-operative venture of the Government of India and the Government of Tamil Nadu in 1964 with a view to catering to the needs of man-power in technology for the country. The college has been conferred with autonomy in financial and administrative matters to achieve rapid development. Because of this rich experience, this institution was granted Deemed University Status with the approval of the UGC/AICTE and Govt. of India in the year 2003 and renamed as National Institute of Technology, thereafter.
2. CoE Manufacturing established in 2018 at NIT, Trichy. The CoE operates with a primary objective of creating a robust technical education eco-system through its experience in industrial products and services. This CoE Manufacturing is intended to bridge today's gap between industry requirements and technical education, and provide solution that makes technical institutes be more aligned with industry needs and make engineering graduate students, industry compliant / on par with industry expectations.
3. CoE Manufacturing has 12 sophisticated Laboratories for Design and Validation, Advanced Manufacturing, Test and Optimization, Automation, Electrical and Energy savings, Process Instrumentation, Mechatronics, CNC Machines, CNC Controller, Robotics, Rapid Prototyping and Internet of Things through which different services are offered to Academic Institutions and Industries.

CoE Manufacturing, NITT

MSEC

4. Vision - CoE Manufacturing

- a. To provide skill excellence through Training, R&D and Consultancy for robust Industry relevant technical education eco-system.

5. Mission - CoE Manufacturing

- a. To offer certified skill development programmes for enhancing placement opportunities
- b. To promote industry-academia partnership by engaging in extensive consultancy services
- c. To engage in Research and Development for societal benefits and uplift
- d. To strategically align with Institute's Vision and Mission for building the brand image of NITT

6. Details of Meenakshi Sundararajan Engineering College

The CoE Manufacturing, National Institute of Technology, Tiruchirappalli, India enters into the following Agreement to offer Skill Development, Training and other related services to Meenakshi Sundararajan Engineering College.

1. CoE Manufacturing offers various skill development courses across different disciplines. Meenakshi Sundararajan Engineering College committed/commits to send 100 number of students/faculty every year for such courses. The timing/duration of the courses shall be arrived on mutually agreed dates. The CoE offers 20-40% discount on the regular advertised course fee depending on the demand.

2. A student/faculty who has completed any CoE offered courses will be given 10 Hours of free Lab usage time after the course within one-year duration. The timing will be decided by the CoE based on the availability.

3. CoE Manufacturing offers the resources for student projects on chargeable basis. It is the responsibility of the faculty mentor from Meenakshi Sundararajan Engineering College to monitor the progress. The CoE shall not offer any certification for such usage but shall provide an attendance certificate.

4. CoE Manufacturing offers Internships to students. The CoE can accommodate a reasonable number of students depending on the demand.

5. The faculty of Meenakshi Sundararajan Engineering College shall submit funding/consultancy proposals quoting the CoE Manufacturing resources. In such cases, a NITT faculty will be the Co-PI and budgeting need to be arrived through mutual discussion before submission.

6. CoE Manufacturing periodically conducts workshops/symposiums/conferences etc.. For such events, any participant from Meenakshi Sundararajan Engineering College will get 25% discount on the Registration fee.

7. Meenakshi Sundararajan Engineering College shall organize events such as workshops /symposiums/conferences jointly with CoE Manufacturing. In such cases, the financial implications need to be discussed and to be approved by competent authorities before the event.
8. CoE Manufacturing will not be responsible for safety of the students outside the NITT premises. Meenakshi Sundararajan Engineering College should instruct their students clearly on the safety and precautionary measures.
9. CoE Manufacturing will not be responsible for loss/theft or damage of any of the student's belongings. Meenakshi Sundararajan Engineering College should instruct their students clearly on the precautionary measures.
10. The implementation of specific activities will be separately agreed between both institutions on need basis.
11. Other terms and conditions which are not provided in this Agreement will be deliberated and agreed upon by the institutions hereto.
12. This Agreement is established in English language and is valid from the date of signing by the representatives of the institutions. The institutions hereto have executed this Agreement in duplicate, and each institution shall keep one copy of the originals.
13. This agreement shall be governed by and construed in accordance with the laws of India.
14. The two parties will consult each other and attempt to resolve disputes or misunderstandings that arise in the administration of this agreement informally.
15. This agreement shall be valid for a period of three years from the date both signatures are affixed to this document or before if terminated by mutual agreement of both. This agreement may be terminated by either party after one hundred and twenty (120) days following receipt of a written notification of intent to terminate by the other party.
16. If a proposal to renew this agreement is not presented before the end validity period, it will be terminated automatically at the end of three years.
17. This is a non-exclusive MoU.

SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the agreement and having equal legal validity.

By signing below, the parties, acting by their duly authorized officers, have caused this Memorandum of understanding to be executed, effective as of the day and year first above written.

Signed and delivered on behalf of by

MEMORANDUM OF UNDERSTANDING

BETWEEN

**MEENAKSHI SUNDARARAJAN
ENGINEERING COLLEGE**

CHENNAI

AND

**INFANT ENGINEERS PRIVATE
LIMITED**

27.01.2022

MOU between MSEC and Infant Engineers Private Limited

This memorandum of understanding (MOU) is made and entered on 27.01.2022 by and between Infant Engineers Private Limited, Factory no: F-43 Sipcot Industrial Park, Katrambakkam, Sriperumbudur Taluk, Kanchipuram Dist., Tamil Nadu – 602 105. (IEPL) of one part and Meenakshi Sundararajan Engineering College, 363, Arcot Road, Kodambakkam, Chennai – 600 024 (MSEC) (affiliated to Anna University) of the other part

Both IEPL and MSEC are referred to as the Party individually and as Parties together under this MOU.

Whereas the IEPL is engaged in the business of Reverse Engineering.

Whereas the MSEC is engaged in academic teaching and providing formal education to students leading to a nationally and internationally recognized under-graduate program and graduate program in various engineering services in addition to shaping them to become effective citizen and a holistic human.

NOW THEREFORE, for the purpose of working with MSEC to engage students and impart corporate learning and on the terms and subject to the conditions set forth in this MOU and intending to be legally bound, the parties agree as follows:

Objectives:

The parties to this Memorandum have the following objectives:

1. To assure right delivery of the quality service at the appropriate time by the competent resource persons to the stakeholders;
2. To assure the application of services in a systematic method to have fruitful assessment of the stakeholders;
3. To provide and to coordinate effective and efficient services to their stakeholders.

Services:

The IEPL agrees to provide few or all of the following services:

College centric:

1. Transfer of technology
2. Sponsoring official as member in the academic development committee of the Institution.
3. Curriculum review to plan for implementation of suitable programs to meet future challenges
4. Creating research and training cells to enhance the image and widen the sphere of technical knowledge
5. To provide support for the development of infrastructure

Faculty centric:

1. Training for teaching faculty and other technical support staff
2. To offer support to other activities related to academics whenever needed/necessary to the staff at the premises of MSEC and also in the premises of IEPL.
3. Permission for industrial visits to faculty to learn specific manufacturing process directly from technical personal operating those processes.

Student centric:

1. Offering guidance for students' project work
2. Sponsoring resource persons for guest lectures
3. Demonstration of new equipment's / software
4. Sponsorship for projects
6. Permission for industrial visit
7. Permission for in-plant training for students
8. Sponsoring fund for scholarships/symposium/conference/workshops/seminars
9. Deputation of Resource persons as Judges for students project/presentation

10. Creation of endowment fund to the tune of Rs.1 lakh in the name of "Company Endowment Fund" and the interest accrued can be used for awarding prize to a student following the norms stipulated by the Industry and Institution.
11. Providing placement for students.

Company centric:

MSEC agrees to provide the following services;

1. Transfer of knowledge
2. Training to employees in the MSEC premises
3. Training to employees in the premises of Industry IEPL.
4. Students contribute to the IEPL by doing summer projects or mini projects in MSEC premises or in IEPL premises.
5. The IEPL will be displayed in banners or along with logos of MSEC in College technical event, apart from in select location in the MSEC premises at all times.
6. The fact of this MOU with IEPL and the contribution of IEPL to MSEC through this MOU may be mentioned in functions of MSEC.
7. Students to take active part in the Corporate Social Responsibility thro' Campus lions Clubs, Leo Clubs and NSS Cell.

It is effective upon signing and shall remain in effect until termination by either party with 30days written notice.

IEPL and MSEC staff shall meet at regular intervals convenient to both parties either in person or on-line to review implementation of this agreement, to address special problems, to coordinate schedules, for evaluation and assessment, and to establish policy directives.

IEPL and MSEC will maintain documentation of services provided and other statistical and financial information as needed for accountability and analysis purpose.

Both parties to this Memorandum agree to develop common reporting instruments wherever possible. In any event they intend to confer on the development of formats of other elements of their respective Systems.

MOU between MSEC and Infant Engineers Private Limited

Both parties shall safeguard the use of and access of information to which the services provided or arranging for services shall not use or release any reports, data or other information in accordance with the rules and regulations of IEPL and MSEC. Such information shall be used only to assure proper planning, coordination, monitoring and administration of performance under this agreement, and permit the transfer of records to another, for the purpose of continuing services, with appropriate approval from the authority concerned.

Service audit and program review functions shall be performed jointly when appropriate. Both parties mutually agree not to use the name of the other party in any public information without permission of the concerned party.

Review of this memorandum shall be made on or before 3 months before expiry at which time this agreement may be extended, modified or terminated.

Infant Engineers Private Limited and MSEC hereby agree to all of the above and enter into a joint agreement until such time that either party shall amend or review the said agreement in writing.

The memorandum of understanding (MOU) is made on this 27th day of January 2022, at Infant Engineers Private Limited, Factory no: F-43 Sipcot Industrial Park, Katrambakkam, Sriperumbudur Taluk, Kanchipuram Dist., Tamil Nadu – 602 105
